This Agreement shall be effective during its term as set forth in Article XVII hereof, subject to the Federation's right to negotiate over a successor agreement as provided above.

ARTICLE III

GRIEVANCE PROCEDURE

A. 1. A "grievance" is a claim by an employee or the Federation based upon the interpretation, application, or violation of a term or terms of this Agreement, Board policies or administrative decisions affecting an employee or a group of employees, or the Federation.

2. A "grievant" is the employee or employees or the Federation making the claim.

3. A "party in interest" is the employee or employees making the claim and any person, including the Federation or the Board, who might be required to take action or against whom action might be taken in order to resolve the claim.

B. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the grievances which may from time to time arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure, and it is intended by the parties that, if appropriate, discussions be held in an attempt to resolve the grievance.

C. 1. The number of days indicated at each level should be considered as a maximum and every effort should be made to

expedite the process. The time limits specified may, however, be extended by mutual agreement.

2. Discussion - an employee with a grievance shall first discuss it with the Supervisor as designated per the Technical Schools Organizational Chart either directly or through the Federation's designated representative, with the objective of resolving the matter informally.

3. Level One - If the grievance is not resolved or if no response is made within five (5) calendar days after the discussion outlined above, the grievant may submit the grievance to the Supervisor as designated per the Technical Schools Organizational Chart in writing. The division head shall respond in writing within ten (10) calendar days.

4. Level Two - If the grievance is not resolved or if no written response is received from the Supervisor as designated per the Technical Schools Organizational Chart in the allotted time, the grievant may within ten (10) calendar days of the answer or expiration of the allotted time submit the grievance in writing to the Superintendent of Schools.*

*Wherever Superintendent of Schools is mentioned, it shall mean the Superintendent or his designee.

5. Level Three - If the grievance is not resolved or if the Superintendent does not respond in writing within ten (10) calendar days from the receipt of the grievance, the grievant may within ten (10) calendar days of the answer or expiration of the allotted time submit the grievance in writing to the Board of Education.

6. Level Four - If the grievance is not resolved or if no written response is received from the Board within forty-five (45) calendar days the Federation only may within fifteen (15) calendar days of the answer or expiration of the allotted time submit the grievance to arbitration under the voluntary Labor Arbitration Rules of the American Arbitration Federation.

7. Level Five -

a. The arbitrator selected shall confer with the representatives of the Board and the Federation and hold hearings promptly and shall issue his/her decision. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Federation and shall be final and binding on the parties.

b. In reaching a decision, the arbitrator shall be limited to the issues submitted and shall consider no other issues. The arbitrator shall neither add anything to nor subtract anything from this Agreement.

c. The arbitrator shall not have the jurisdiction to determine the arbitrability of issues before him but rather such issues shall be determined by the appropriate administrative agency, quasi-judicial or judicial body, except that the arbitrator shall have jurisdiction to determine whether or not the parties in interest have met the time limitations imposed by the grievance procedure.

d. The following matters shall not be arbitrable:

(1) The termination of or non-renewal of the contract of a non-tenured employee.

(2) Any allegation that the Board has violated a right conferred upon an employee or a duty upon the Board by any administrative agency, court decision or the Laws of the State of New Jersey or the United States of America, where a method of review is available under the rules and regulations of said administrative agency or under or through a quasi-judicial or judicial body by virtue of a court decision or the Laws of the State of New Jersey or the United States of America.

(3) Any alleged violation of an employee's rights where the relief demanded by the employee is the payment of

money damages for alleged wrongful discharge or the reinstatement of employment.

8. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Federation. Any other expenses incurred shall be paid by the party incurring same.

D. 1. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of any of the participants.

2. No reprisals of any kind shall be taken by the Board or by any member of the administration against any party in interest, any representative, any member of the Federation, or any other participant in the grievance procedure by reason of such participation.

3. If, in the judgment of the Federation, a grievance affects a group or class of employees, the Federation may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall be commenced at Level Two.

4. All meetings and hearings under this procedure shall not be conducted in public and shall include only witnesses,

parties in interest and their designated or selected representatives.

E. To be considered timely under this procedure, a grievance must be filed within thirty (30) calendar days from the occurrence which caused the grievance or from the time the grievant should reasonably have known of the occurrence.
